

COUNCIL FOR EDUCATION POLICY RESEARCH AND IMPROVEMENT

August 11, 2004

SUBJECT: Master Plan

PROPOSED COUNCIL ACTION

For Information and Discussion

BACKGROUND INFORMATION

Staff will provide status reports for several of the Major Initiatives to be addressed in the Master Plan including: Early Learning, Leadership, Career Education, and Funding,. A panel of principals will discuss critical issues related to leadership. A preliminary draft report on Career Education will be reviewed with an opportunity for public testimony with final action anticipated in September. The funding presentation will focus on student performance. Also, a status report will be provided on actions related to recommendations contained in the Master Plan report on the Teaching Profession.
